

Product Datasheet

Polymer Adhesive Coat

Pumpable or Hand Applied

1. About the Product

1.1 Composition

| | |
|------------------------|-------------|
| High Grade Silica Sand | BS EN 13139 |
| Limestone | BS EN 13139 |
| Cement | BS EN 197-1 |
| Lime | BS EN 459-1 |
| Additives | BS EN 934-2 |
| Pigments | BS EN 12878 |

Any water added on site should be clean and free from any contaminants.

1.2 Uses

External Rendering

1.3 Application

Pumpable or Hand

1.4 Delivery

| | |
|---------------------------|--------------|
| 25kg Bags | 1 Tonne Bags |
| Mini Silos | Bulk Silos |
| Associated Pump Equipment | |

1.5 Advantages of Stonepack Products

- Purity of materials ensure low co-efficient of shrinkage
- Minimal risk of cracking
- Water resistant and extremely durable
- Guaranteed total consistency of mix and colour
- Customer service and technical backup
- Low maintenance many years life expectancy
- Efficient prompt deliveries
- Excellent adhesion
- Excellent workability

2. Manufacture

2.1 Plant

All materials are batched and tested in the latest state of the art plant with constant testing at all stages of the process. The plant is capable of handling all sizes of order with complete quality assurance.

2.1 Samples

Small desk top size samples can be provided for colour identifications and 25kg sample bags will always be provided to ensure contract agreement.

3. Performance

Applied by hand: this specialised material is designed to overcoat existing render and unusual substrates.

Applied by pump: used as a one coat system through a machine but must be finished in the same way as by hand. Spray machine saves time and the water content is more consistent than applying by hand.

4. On-Site

This company provides the full range of packaging these materials. On site every solution is available from hand applying to transferring dry to pumping wet and any combination of these methods. We regularly demonstrate all these aspects.

5. Coverage

Guideline only

| Thickness (mm) | Coverage (kg/m ²) |
|----------------|-------------------------------|
| 6 - 10 | Approx 12 - 14 |
